

All About... JESUS!

Week 1 - Jesus is my King

Week 2 - The Story of Jesus

This 2-week holiday curriculum is based on a series about Jesus by Kids on the Move.

Week 1 looks at Jesus as our King. We learn that Jesus is King over everything and everyone. He is all powerful and glorious. Everything else is beneath Him and it only makes sense that we worship Him and surrender every area of our lives to Him. When the Bible speaks of Jesus as our King, it paints the most majestic picture. The God we serve is no ordinary man, He is beyond our imagination and greater than anything we could even try to understand. How incredible it is that we get to call the King of Kings our Father and friend!

Week 2 looks at the basic story line of Jesus and how He came to this earth to live just like all of us; but with a massive purpose of coming to save the world. We learn about how He lived and all the miracles He performed. We also learn that He has commissioned us to also go into all the world to preach the Gospel to everyone. As Christians it is our responsibility to share the Good News to those around us so that they too can be saved!

MEMORY VERSE:

"The earth is the LORD's, and everything in it, the world, and all who live in it."
